

SIS 425: SEMESTER IN SPAIN INTERNSHIP – 2 credits

This 2 credit course is offered in response to the present global market, providing students with an opportunity to have an international professional experience in a field related to their studies. The student will fulfill 80 contact hours of on-site work in a Spanish agency or company. In order to be fully integrated in the workplace, an advanced level of Spanish is required.

The course includes a seminar directed by the internship coordinator and finishes with a presentation based on the students' experiences and observations during the internship.

This course is offered in the month of May after the completion of two advanced level classes during the spring semester. It is also offered during the second summer term, after completion of the first summer term.
